The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

THE LOS ANGELES COUNTY SHERIFF'S DEPARTMENT
287(g) QUARTERLY REPORT

This correspondence is in response to the Board's October 7, 2014, approval for the Los Angeles County Sheriff's Department (Department) to enter into a revised Memorandum of Agreement with the Department of Homeland Security, Immigration and Customs Enforcement (ICE), and the request for quarterly reports regarding the progress of the 287(g) Program (Program).

Since the enactment of Proposition 47 (California Constitution Article 2, Section 10), the Department implemented a policy in which all felony Penal and Health and Safety (H & S) codes associated with Proposition 47 are no longer qualifying factors to refer an inmate to ICE for immigration status review.

Proposition 47 reduced specified offenses to misdemeanors, created a new shoplifting crime, and allows resentencing of certain convicted felons as misdemeanor offenders. Custody statistics reveal a 15 percent drop in bookings since the implementation of Proposition 47. Within the current population, approximately 1,035 inmates (7 percent) have Proposition 47 eligible charges/convictions.

The Department has been steadfast in following all mandates of the Trust Act (California Assembly Bill 4), as well as ensuring inmates with binding immigration detainers are transferred to the custody of ICE within the Department's normal release processing time. Due to the effects of Proposition 47 and implementation of the Trust

A Tradition of Service

March 10, 2015

Act, two inmates were inadvertently released to the custody of ICE with drug possession charges (Section 11377(a) H & S) during this report back period. Upon clarification of the guidelines, a Department newsletter was published and all employees were briefed how Proposition 47 charges would be handled with regard to detainees placed under the Trust Act guidelines.

Proposition 47 and enactment of the Trust Act have had a significant impact on the lesser amount of immigration interviews conducted and holds placed by our 287(g) custody assistants.

Since the last update of November 12, 2014, the custody assistants assigned to the Program produced the following interview statistics:

- November 1, 2014, through January 31, 2015, a total of 125 interviews were conducted and of those, 15 inmates were referred to ICE for immigration status review.

Please see the attached document for specific information regarding the arrest charge, Trust Act qualifying conviction, prior deportation history, country of birth, arresting agency, supervisorial district, city of residence, and the age of the individuals detained during this report back period.

No inmates with a valid detainer were held in the custody of ICE for an extended period of time.

If you have any questions, please contact Chief Eric G. Parra, Custody Services Division, General Population, at (213) 893-5017.

Sincerely,

JIM McDONNELL
SHERIFF
